

to drive through a mountain  
to drive through a mountain , a series of mountains in a car that is not  
your own  
the car is not your own and you are not driving  
to navigate through a mountain  
a range of mountains,  
look for the SOS's in the tunnels, repeating every kilometer  
possibly kilometer,

march 26 1999  
mont blanc tunnel fire

space,  
saint sphinx  
she's one we can study, S  
ruby red crown, blue flowing star-Saturn hairs  
hairs, the french mistake (plural)  
her paws are pawless, and replaced as breasts  
the breasts, balancing and stabilizing the rest of the house  
her smile, flat, sleeping

11 may  
cut my hand inside Niki de Saint Phalle's mosaic mirror'ed fireplace

july 2015  
cut my legs on cooled lava rocks on Mount Etna

both cuts Italian cuts

back to today  
saw a snake, a green snake  
the back of it, as you rarely see the head of a snake if its slithering  
usually I mean it's slithering away  
slithered perfect s's into a bush  
when I attempted to get the dog out of the kitchen  
with all the fragile glass tiles that could be scratched by  
dog nails  
the snake in the tarot garden  
really a real snake
